SupplyAgent

An excellent solution for MRO applications

SupplyAgent provides compartment-level control and quick access to a wide range of materials and supplies. It is easy to use and manage and can store a high volume of materials in a very small footprint.

SupplyAgent's versatility and high SKU density make it a great choice for general plant applications like:

- Personal protection equipment and clothing
- Shop supplies
- Abrasives
- Maintenance items
- Office supplies

Control Your Distributed Inventory

SupplyAgent's see-through bins and dividers keep supplies neatly organized and easy to find.

- Easy to use and manage
- Versatile and configurable
- High-density storage capacity

Supply Agent's configurable drawer modules provide high-density storage and one-touch access to small items.
